

## Student Number 23

### First Draft

I would pick Lebron James for my role model. He is my favorite pro basketball player. He plays for the Miami Heat. By record the Heat are the third best team in the league. In my opinion they are the best. They have three of the top ten players in the NBA.

One of the Miami Heat's players is Mike Miller. You may not know who he is, but he is from South Dakota, that's how I know him. Lebron James is probably the best all-around player in the NBA. He can shoot, he can pass, he post you up under the basket, and he jump really high. Lebron or Dwayne Wade, one of the top five players in the NBA, will shoot the buzzer-beaters.

He was born on December 30th 1984 in Akron Ohio. He was an only child. He raised by a single mother, Gloria James. His family was more poor than they were rich. They moved all around the Akron area.

Lebron attended St. Vincent/St. Mary High School in Akron. He excelled highly in sports. He set basketball records and helped his high school team win the Division three basketball championship in only his freshman year. His sophomore and junior year, he was nicknamed "Mr. Basketball." His junior year he chosen to the first All-American football team as a wide receiver.

### Revised

I would pick Lebron James for my role model. He is my favorite pro basketball player. He plays for the Miami Heat. By record the Heat are the fourth best team in the league. I think they are the best. They have three of the top ten players in the NBA ( National Basketball Association).

One of the Miami Heat's players is Mike Miller. You may not know who he is, but he is from South Dakota, that's how I know him. Lebron James is probably the best all-around player in the NBA. He can shoot, he can pass, he post you up under the basket, and he jump really high. Lebron or Dwayne Wade, one of the top five players in the NBA, will shoot the buzzer-beaters.

He was born on December 30th, 1984, in Akron Ohio. He was an only child. He raised by a single mother, Gloria James. His family was more poor than they were rich. They moved all around the Akron area.

Lebron attended St. Vincent/St. Mary High School in Akron. He excelled highly in sports. He set basketball records and helped his high school team win the Division three basketball championship in only his freshman year. His sophomore and junior year, he was nicknamed "Mr. Basketball." His junior year he chosen to the first All-American football team as a wide receiver.

Right out of High School Lebron was drafted to the NBA. He was a 1st round draft pick. He was selected by the Cleveland Cavaliers. He spent eight years with that organization. Sadly he didn't win a championship.

He was traded to the Miami Heat. He hasn't won a championship with that team either. Its because it's his first year there and the regular season isn't over yet. They have a shot at wining the championship, because they have extremely excelled players, young up-and-coming players, and they have some veteran players.
